## CITY UTILITIES NOW ACCEPTING ACH PAYMENTS

*Brazil, Indiana* The City of Brazil is now accepting payments for utility bills via an Automated Clearing House or commonly called ACH. ACH payments will authorize automatic debits from customer's checking accounts at a cost of 25¢ per month, less than the cost of a stamp. Customers will still receive their monthly bill. The advantage is the utility billing office will automatically withdraw the payment from the customer's account. Once a customer has signed up for this new service, they will need to do nothing to pay their water bill.

Anyone wishing to sign up for this new service can obtain an application at the city utility billing office located in City Hall or on line at <http://www.brazil.in.gov/Forms/ACHpayauthorization.pdf>. The utility billing office is open from 8:00 AM to 4:30 PM Monday through Friday and can be reached at 812.448-1539
